The Club at ARROWCREEK GOLF INSTRUCTION

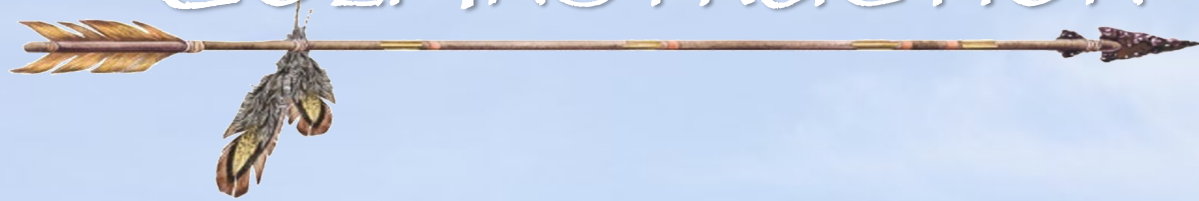

Josh Weeden **Head Golf** **Professional**

Josh is currently the Head Golf Professional at The Club at ArrowCreek and has 15 years of teaching and club fitting experience. He has worked with the beginning golfer all the way to web.com tour players. He is sponsored by TaylorMade-Adidas, and is a PGA Apprentice. Josh's playing background includes Division 1 college golf, mini-tour experience, and PGA section events. He was a top five junior instructor in Colorado where he also coached a H.S. State Championship team. He worked with Trevino Golf Institute in Reno, NV with a focus in custom club fitting, club repair and Junior Golf Development.

Re-Shaft New or Broken Clubs (per club)	\$15

All club fittings and repair will be completed by Certified Fitting/Repair Professionals,
Josh Weeden Head Golf Professional or Trevino Golf Institute.

TRACKMAN

TrackMan™ is a radar unit that measures both club delivery and the full trajectory of any golf shot, up to 400 yards.

TrackMan™ takes Club Fitting to a new level by adding exact 3D path of the club head, accurate launch and landing data, as well as trajectory and dispersion images to the fitting session.
