

Welcome to *The Club at ArrowCreek*

Thank you for your interest in our Club!

We are excited you have taken the time to learn about the membership opportunities at The Club at ArrowCreek. We are proud to be an Arnold Palmer Golf Managed Private Club because we operate under the philosophy of partnering with our members in order to help facilitate the fulfillment of the members' vision for their club.

This partnership is exemplified by our enrollment process of "Membership by Invitation". This tradition ensures all of our new members are families that will enhance our membership roster and the camaraderie of the club. Should you be new to our community or not know a current Member, we welcome your enrollment as The Club at ArrowCreek is the family fun center of your community and we will happily introduce you to current Members who are your neighbors and will soon be your friends! We take great pride in the many amenities and services that we offer, but it's our members that are our most valuable asset.

One of the unique advantages The Club at ArrowCreek is able to provide to its Members is the PREMIER Experience. Our PREMIER memberships include privileges and benefits expanding your membership beyond the walls of our clubhouse. These memberships include benefits where Members can save 50% on dining at the club, access to other private clubs, complimentary greens fees at hundreds of golf clubs, travel & concierge services, a wine program and much more.

Please contact me to arrange a preview round of golf and a full tour of the clubhouse. On behalf of The Club at ArrowCreek and its' Members we look forward to hosting you and your family to a relaxing day of fun here at your neighborhood Club.

Sincerely,

Walsh Trujillo

Club Profile

No Member Assessments
No Food & Beverage Minimum

Golf: The Club at ArrowCreek is a two-course private country club in Reno with some of the biggest old names in golf behind it. Arnold Palmer designed The Legend Course and Fuzzy Zoeller is one of the men behind The Challenge Course. Palmer - the people's champion - seems to understand how to put together a course for the private club golfer. ArrowCreek Legend weaves around ravines, dry creeks and rocks. It can really give the golfer a sense of being away from it all - even though it's a quick drive to Reno's downtown casinos. Both Legend and Challenge feature forced carries galore, gnarly tall grasses that sway in the Nevada breeze and fast greens with more swerve than a racing motorcycle. Golf privileges also include full target driving range, practice putting green and chipping area, complimentary range practice balls, golf shop with member pricing, men's and ladies' locker rooms with steam room and massage. And, our PREMIER Golf Memberships include 'cart fee only' access and incredible savings on tee-times at hundreds of golf clubs and resort golf courses in the U.S. and abroad.

Dining and Social: The Club at ArrowCreek is a full-service clubhouse providing Members with two dining options: Redfields Bar & Grille or our Terrace Room. Dinner brings a variety of delicious selections from our Executive Chef, Kevin Cloutier. Experience a fun Themed Dinner Night while watching the game in Redfields Bar & Grille, or relax on date night by the fireplace in the Terrace Room. PREMIER memberships provide special pricing on select dining events, buffets and 50% savings on à la carte food and non-alcoholic beverages at the club. Views at The Club at ArrowCreek are nothing short of picturesque when the sun sets behind the Sierra Nevada Mountains which only adds to your dining experience. Also, be sure and join us in the Bar & Grille for our very popular happy hours with freshly made cocktails, or your favorite glass of wine. In addition to our dinner options, you can always enjoy a great start to the day with our Breakfast Menu items, featuring: made to order omelets, eggs, pancakes and more! Eat lunch at our bar after your golf round, or grab an assortment of refreshments and snacks "on the go" at the turn. You can even call in an order-to-go if you plan on a cozy night at home with the family. Either way, we have you covered for any of your dining needs.

Definitely the most Friend Friendly private club in Reno, our Member Social Committee ensures there's always a reason to be at the Club with your friends, talking and laughing with fellow Members, eating, and drinking. There is a full calendar of FUN for the whole family each month. The Members of The Club at ArrowCreek also design and run their own Clubs within a Club, such as Bridge Club, Book Club, Garden Club and Winter Ski Club.

Meeting and Party Planning: At The Club at ArrowCreek, we understand all that goes into creating spectacular events and celebrations for our Members. Our catering team can assist you with all of the details to make your meeting or event an enjoyable, memorable experience! The Club at ArrowCreek also offers of 7,500 square feet of beautiful, flexible meeting space for you to enjoy. Your personal catering director will help you plan the entire event.
