The Club at
ARROWCREEK

Palmer View

THE CLUB

I am excited to say that all of the new furniture for Redfields has been ordered. We anticipate 6-8 weeks for production so hopefully by the end of October we will receive it. In addition to that the hole signs for the Adopt a Hole program should be here within the next week or so and we will install mid October once we complete the golf course aerification. **Again a big thank you to everyone who contributed to these two programs, between them we raised over \$110,000!**

I am extremely excited to announce that our Golden Arrow Club will be kicking off this month. As you know we like to thank and reward our members for sponsoring other members and this club is designed to do just that. Golden Arrow Club members will receive a years worth of benefits just for asking their friends to join them in membership at ArrowCreek. Please let myself or Walsh know if you have someone you would like to invite to join you at ArrowCreek and we will help get you enrolled in the new Club!

**OUR GOLDEN
ARROW CLUB
WILL BE KICKING OFF
THIS MONTH**

As always thanks for being a member!

Jayson
Petersen

Thank you,

Walsh Trujillo
Membership Director

Can't believe September is here already.

It's been a short season after our 'wettest Winter on record', and now we're looking at the hottest Summer on record. Wow!

We have beefed up our crew for a hard push these last 2 months of the season. As I stated last month, many of the Toro sprinkler head replacements were defective, and Toro is replacing them as we report them. The task at hand now is raising the sprinkler heads to the proper level even with the turf so that they work the way they are supposed to - perfectly. It's a lot of work, but we are concentrating on the worst ones first, and we're also edging all the rest. And we are trying our best to keep up with the leaks and breaks in the pipes, the failing valves and wires, and everything else, something that's just a symptom of an aging irrigation system.

It's aeration month and the turf is ready for it. The week of the 18th, we will aerate greens, tees, approaches, and par 3's on Legend. Then, the following week, we'll do the same on Challenge. October will be spent aerating all the rest of the fairways and roughs, a few a day, as to not disrupt play.

We've made some progress on moss and poa on our greens, and every year it gets a little better. We continue to spray for these pests and pick the moss as we go.

Another priority this Fall and from this point forward is to apply large quantities of gypsum to our soils. This will aid in water penetration, help to displace our sodium in the soils, and increase the effect of our organic acid injection program.

The new irrigation pump is working beautifully and benefitting our low volume and low pressure issues.

We really feel we're close to making this place shine thanks to the efforts of the FOA and every last member. Thanks for your support and being part of our team.

We're all in this together to make Arrowcreek great.

Maggie

Jerry L. Mathews
Golf
Superintendent

NO FLAG GOLF - YOUR KEY TO LOWER SCORES

In this article, I am going to present a simple philosophy - but one which might change your ability to score forever.

YOUR STRATEGY

For the most part, an amateur sees a flag and fires straight at it. Even better players, with higher-level strategies/gut instincts will only fire marginally towards the safe side of the flag. We have this predisposition to go for that birdie because we are all born ballers.

But the math often doesn't go in your favor with this strategy. If for every ball you hit to 10ft (and hole it/gain a shot 20% of the time) you also miss the green (and lose a shot 80% of the time), we can see the issue.

Sure, we make more birdies by firing at the flag (although this is not always true), but we also make more bogeys, or even doubles if there is danger nearby.

WHAT IF?

What if you were to look at a hole differently? What if there was no flag on the green, but your only goal was to hit the green in the safest way possible?

Imagine, in some parallel universe, the game of golf didn't involve putting at all, but your score was based upon how many greens in regulation you hit. What would your strategy look like?

Have a look at this example below.

If the goal was only to hit the green in the least amount of shots, how would you change your strategy?

If this were the case, it is very likely that you would;

- Aim at the back of the green (because, let's face it, how often do we hit it past the flag - stats show that amateurs are short 94% of the time).

- It is also very likely that you would have the middle of the green as your target (and then adjust for wind, lie and shot patterns/shape).

By having this strategy, you would have a buffer of 30 yards where you could mis-strike the ball (a little thin or fat) and still hit the green. Also, you would have almost 20 yards both left and right of your target which would still result in a green in regulation. Give it a try! What's the worst that can happen...

Thank you!

Director of Golf

FAIRWAYS & GREENS,

Girls GIGGLES & Golf

A non-competitive golf social for beginner lady golfers. Includes a short lesson & actual playing time on the course. After golf come in for some wine and socializing with the ladies. This is a fun event and a great way to meet new people. The cost is \$25 and includes cart, lesson, wine or appetizers. Open to all Members and Guests

Wine & NINE

A goofy 9-hole team scramble format with wine and a bite to eat after golf. This event is designed as a fun, non-competitive golf gathering open to everyone. Look for at least one Wine & Nine each month in season.

GUYS & DOLLS

A fun, competitive, Guy & Gal team event with a different format of play each month. Includes appetizers with scoring after golf.

Game Improvement Clinics

Head Golf Professional offers clinics for all levels of golfers throughout the year. Look for upcoming clinics and information on the Member website.

HACKERS CLUB

Can you break 90? If you can, you are NOT invited to join the Hackers Club. We play 9-holes every other Saturday - \$10 buy-in.

FRIDAY SKINS GAME

Join us every Friday afternoon from 12-1pm for a cash skins game. Gross & Net skins. \$25 entry goes entirely to the purse. Hosted appetizers and scoring after golf.

Saturday Mixer

Every Saturday in season (when there isn't another tournament) you are welcome to join the Member Mixer. This weekly event has a \$10 buy-in and changes formats each week. We typically tee off at 8am in a shotgun. This is a great way to meet new people at the Club.

Tues & Thurs Men's Mixers

Men's Mixers are open to all Members and Guests. Formats vary each week to include individual or team events. This is a fun way to come out and meet new Members and get acclimated to the Club. Tuesday no RSVP necessary just show up and play. You will need to sign up for the Thursday Mixer on the Member Men's Club website.

Men's Club

Men's Club tournaments are at least once a month on Saturday and/or Sunday in season.

Ladies Club and 9er's

The ArrowCreek 9er's and Ladies Club play each week on Tuesday mornings with the exception of major events. After golf the Ladies come in for lunch, awards and socializing. Drop by or call the Golf Shop for more information.

This is a fun event and great way to meet new people..
The cost is \$25.00 and includes:
cart, lesson &
one glass of wine or draft beer after the lesson.

Open to all Members & Guests

A
non-competitive
golf social
for beginner
lady golfers.

Girls
GIGGLES
& *Golf*

INCLUDES
a short lesson & actual
playing time on the
course.

AFTER GOLF
come in for some wine
& socializing
with the ladies.

LADIES CLUB

"Bad Hare Good Hare Day"

ACLG 9ers had a 'Bad Hare Good Hare Day' teeing off from the new family tees installed on the Legend. The Tee boxes are called Cottontail and Jackrabbit. There were bunny, ears and lots of "hare" dos!

Although our year is winding down we "still wanna have fun".

Hard to believe that Fall is upon us especially with all this warm weather. Let's hope the weather continues to cooperate as we wind down the year. The Club Championship should be wrapping up as this newsletter gets to you. Who will be the Ladies Club Champion? This year we will also have an AC9er Club Champion. The AC9ers will compete during the same two days but only play 9 holes each day. The niners are an important part of the ACLGC and we didn't want to leave them out.

After the seriousness of the Championship is over we will have the fun and antics of dressing up for Halloween Hijinks. Get your foursome together and start planning your costumes. Remember this is an 18 holer and AC9er combined event so don't be shy.

Please be sauté to sign up on fusion by 5pm on Sunday to be included in the competition each week. Also, cancel by 5pm on Sunday if you are not going to be able to make it to golf that week.

Our year end party is on November 1st. All are welcome, however, you must sign up on fusion to be included.

Thanks
Elizabeth Heaven
ACLG 9er President

*Girls just
want to
have fun!*

CHIEF'S

THIS YEAR HAS BEEN DYNAMITE!!

We love all the fun and special events that make this club so special. Tournaments like the ChuCho Rua or groups like the blind squirrels just show how unique and exciting things can get around here. Hosting fundraisers for Honor Flight as well as Fight for Sight was truly an honor to have at Arrowcreek and we all had a blast doing them. The end of the summer patio party and cookout was truly a Dynamite experience as we got to use our China Box (seen in picture) in a different way! TBAM was also a great time and tell me, how many of you are smarter than a 5th grader? Some of those questions made me wish I paid a little more attention in grade school. So much "sooo good!!" food has come out of our kitchen and it's all attribute to the Dynamite staff that we have here at Arrowcreek working so hard every day.

Can't wait to see what's in the future but I assure you all, it will be dynamite!

Thanks,

Chef Kevin
