# THE CLUB

## Here comes July!

Wow what a packed month. We have the ALS Fundraiser, The Biggest Little Cup, Men's Classic, Club Members & Community Pool Party, Hot August Nights Car Show and more...With so much going on we hope to see all of our members up at the club at one of these events. Please see the flyers throughout the newsletter for details on each of these events.

A special thanks and shout out to our all of our sponsors for The Biggest Little Cup Tournament! All of the golf ball, chair, table and corporate sponsors have committed so much to help us make your every day dining experience a little better. The new furniture is greatly needed and appreciated. We are looking forward to the fresh new look it will bring to our dining areas. I am overwhelmed and humbled by our member's willingness to rally around the Club and support it the way you do!

*Thanks again to everyone and thanks for being a member!*

# TURF

***So it's been the year of the pump station nightmares, up to this point anyway.***

Our new and final pump should be here sometime this month. Even with our new sprinkler heads, the new pump will solve our pressure and coverage issues. It seems like we're constantly trying to catch-up after a pump station malfunction. Of course we're also dealing with broken pipes, faulty valves, etc., which takes up much of our time. I wish we were spending more time on tweaking the new heads from our Adopt-a-hole sprinkler replacement program, which is now complete, except for the tweaking. By tweaking, I mean heads that are too low and need to be raised, or heads that need different nozzles to maximize proper coverage, or directional adjustments or a change in vertical angle.

This photo of #2 Challenge shows the improvement of the turf after only a month of running the new sprinklers. Another program that we have just recently revived is our fertigation injection program of injecting through the irrigation system on an every 2 week basis, a combination of an organic acid and wetting agent, to treat the water and the soil for salts and bicarbonates in our effluent water that have many negative effects on turf quality. We just started this program again in combination of my spot spraying the worst areas on the courses.

We are also in the process of bumping up our crew numbers to better handle bunker maintenance and all the other detail work that just requires time and bodies.

***Welcome new members!  
Have some patience, cause  
it's all coming together  
real soon...***

# GOLF

The Club at  
ARROWCREEK

So far ***our summer has been busy and eventful.*** Our Membership continues to grow and it is great to see so many Members coming out to enjoy our two beautiful courses. As we continue to grow I would like to take a moment to cover a few basic etiquette issues and responsibilities that come up from time to time.

- **Divots!** Well-struck golf shots produce divots. We as golfers need to fill our divots with sand and seed. I know most golfers have very good intentions and want to fill all of their divots. Sometimes your cart partner may leave you at your ball to hit a shot without your sand and seed bottle. Please think of your sand and seed bottle as your fifteenth club. Anytime you select a club to hit a full shot, take your sand and seed with you. This practice will significantly help our courses!

- **Sunflower seeds** - The Club has no official policy against sunflower seeds and we encourage those who may be using them to curb other habits; however we ask that you please be respectful of other golfers and DO NOT spit them out on the greens or tees.

- **Please use the trash receptacles** on the course or leave the trash in the golf cart for disposal. This includes cigarette/cigar butts; please do not discard them on the golf course especially now that we are experiencing such dry weather conditions!

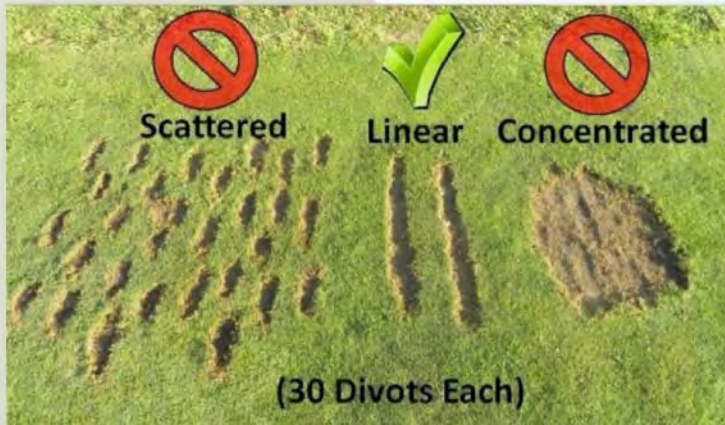

- **Fix one ball mark per green** whether it is yours or not. The best players in the world average less than 14 greens per round. If we all fix one ball mark on each green we will never have a ball mark issue at The Club at ArrowCreek. Now that we are fully private we can no longer place the blame on outside golfers when we see an unrepaired ball mark.

- **Don't forget that your position** on the golf course is directly behind the group in front of you, not in front of the group behind you. Early morning groups are expected to play in less than 4 hours. Here are a few "tips" to help with pace of play...

- *Keep an extra ball in your pocket at all times.*
- *Allow faster groups to play through when possible.*
- *When riding together, drop your cart partner at their ball and proceed to your ball. Waiting for them to play, and then proceeding to your ball wastes time.*
- *Bring extra clubs to your ball. You may change your strategy on how you would like to play your shot and this will save you from walking back to your cart.*
- *Record your score on the next tee. Do not loiter around the green.*
- *Prepare for your shots while others are playing theirs. Be ready when it is your turn to play.*

# GOLF

- **Driving Range Practice** - Our range tee is quite busy. As a result we ask all Members to use the linear divot pattern when practicing. This helps increase turf growth recovery and allows us to use our range tee more efficiently than hitting divots all over. Please see the pictures below...

- **Players should always observe cart rules and restrictions.** Golf carts can cause the most damage on the course and should never be within 30 yards of a green (per the ArrowCreek Cart / Handicap policy). Please enter and exit the fairways at the designed areas between the two white stakes at the beginning and the end of each fairway. The ArrowCreek team will always address a situation when observed or notified however as Members we encourage you to lead by example and set the bar for your group and/or other Members.

*Thank you for reading this far! Lastly, I would like to remind you that guest days will continue every Wednesday through the month of August. Members can bring up to 3 accompanied guests for only \$25 per guest which includes an ArrowCreek hat or visor!! (Fees only apply to golf Members. Guests of Full Inclusive Members are complimentary up to 6 times).*

*Thank you!*

Director of Golf

This is a fun event and great way to meet new people..  
The cost is \$25.00 and includes:  
cart, lesson &  
one glass of wine or draft beer after the lesson.

Open to all Members & Guests

& socializing  
with the ladies.

## Girls GIGGLES & Golf

A non-competitive golf social for beginner lady golfers. Includes a short lesson & actual playing time on the course. After golf come in for some wine and socializing with the ladies. This is a fun event and a great way to meet new people. The cost is \$25 and includes cart, lesson, wine or appetizers. Open to all Members and Guests

## Wine & NINE

A goofy 9-hole team scramble format with wine and a bite to eat after golf. This event is designed as a fun, non-competitive golf gathering open to everyone. Look for at least one Wine & Nine each month in season.

## GUYS & DOLLS

A fun, competitive, Guy & Gal team event with a different format of play each month. Includes appetizers with scoring after golf.

## Game Improvement Clinics

Head Golf Professional offers clinics for all levels of golfers throughout the year. Look for upcoming clinics and information on the Member website.

## HACKERS CLUB

Can you break 90? If you can, you are NOT invited to join the Hackers Club. We play 9-holes every other Saturday - \$10 buy-in.

## FRIDAY SKINS GAME

Join us every Friday afternoon from 12-1pm for a cash skins game. Gross & Net skins. \$25 entry goes entirely to the purse. Hosted appetizers and scoring after golf.

## Saturday Mixer

Every Saturday in season (when there isn't another tournament) you are welcome to join the Member Mixer. This weekly event has a \$10 buy-in and changes formats each week. We typically tee off at 8am in a shotgun. This is a great way to meet new people at the Club.

## Tues & Thurs Men's Mixers

Men's Mixers are open to all Members and Guests. Formats vary each week to include individual or team events. This is a fun way to come out and meet new Members and get acclimated to the Club. Tuesday no RSVP necessary just show up and play. You will need to sign up for the Thursday Mixer on the Member Men's Club website.

## Men's Club

Men's Club tournaments are at least once a month on Saturday and/or Sunday in season.

## Ladies Club and 9er's

The ArrowCreek 9er's and Ladies Club play each week on Tuesday mornings with the exception of major events. After golf the Ladies come in for lunch, awards and socializing. Drop by or call the Golf Shop for more information.

# LADIES CLUB

We're seeing record numbers of ladies come out on Wednesday to play a fun nine holes of golf with the AC9er's or taking lessons with our Instructional Clinic group. We always have room for more. It's a great way to meet new ladies and your AC9er committee encourages anyone interested in just playing nine holes to join us. All skill levels are welcome.

On June 28th the AC9er's hosted their Home and Home exchange with the ladies from Incline. Over 50 ladies participated in our "Red, White and Blue on the Green" event, and a great time was had by all. Thank you to the AC9er committee for all their efforts. We're looking forward to playing at Incline on Aug 17th. *More information about that event will be coming out next week. However, you can start signing up for it now.*

*Girls just want to have fun!*

# CHIEF'S

## Bon jour.

As my great ancestors would say or rather hello to everyone reading this.

Taking a look back at heritage makes me think about the past and how our great ancestors created what today we know as a particular cuisine. Whether it is French, Italian, Chinese, Indian the list goes on. Every type of cuisine was founded by the people that used what food was around them or what was left for them.

Certain dishes like coq au vin which varies depending on what region of France your in or even meatloaf was a dish prepared by the poor that over centuries evolved into a delicious staple in most homes. Creativity is the root to all good dishes giving them a unique and hopefully memorable outcome.

After learning different dishes from different cuisines you kind of master in your own way how to prepare them. Then comes the day when you don't want to go to the market but all that is left in your refrigerator is some leftover steak from Sundays bbq and some rice from last nights dinner...

**Do I smell stir fry?** Grab those frozen peas that have been in the freezer for two months, crack open a egg, and hit that hot sauté pan with some of your favorite asian salad dressing. What I would like to see is some pictures of creations you make at home. Maybe in the style of your heritage or just try to copy that favorite dish from that Indian restaurant you love to go to.

***If one of your dishes seems creative enough and so good delicious, I'll run it as a special one night and make your creation ArrowCreek famous!***

## // ABOUT THE EVENT

Enjoy Hawley MacLean's world famous BBQ tri tip, BBQ chicken and BBQ corn on the cobb at the clubhouse. After dinner, join the party at the MacLean House where the air will be filled with live music, community bonding, and Arrowcreeks largest S'mores Bar for dessert. Enjoy wine and whiskey tasting from a selection chosen specifically for this fundraiser. All of the proceeds from this event and Water & Rails all benefit the ALS Nevada Chapter!

Complimentary transportation between the Clubhouse and the MacLean residence will be provided continuously throughout the evening.

## // ALS ASSOCIATION NEVADA CHAPTER

ALS Association Nevada Chapter is a nonprofit 501(c)(3) whose goal is to help people with ALS (Lou Gehrig's disease) and their families live as full and as normal lives as possible.

Their programs include in-home visits, medical equipment loans, counseling, a resource library, support meetings and more.

## // RICK ESTERLING

At the MacLean residence, Rick Esterling will be playing piano. He sings honky tonk, boogie woogie, ragtime, rock and roll, jazz, and country western covering artists from Irving Berlin, Jerome Kern, and Nat King Cole to Johnny Cash, Hank Williams, Sr., George Jones, and Floyd Cramer to Chuck Berry, Elvis Presley, Jerry Lee Lewis, and Creedence Clearwater Revival. There's a little bit of toe-tapping something for everyone and all of it is danceable, sing-a-longable, and fun!

## // ABOUT QUIGLEY FINE WINES

Brendan and Chrissy are passionate oenophiles with a combined 30 years in the wine industry. We are supported by, and surrounded with great friends and family who share in our wine obsession.

We select, import, sell and ship the wine ourselves with the utmost integrity. All of our wines have been swirled, sniffed, sipped, and selected by the discerning palate of Brendan Quigley. He is the man behind the name, the name behind the palate, and the palate behind every bottle of wine we offer. If he doesn't love it, we won't sell it.

Our portfolio is continuously growing, and we have plans to branch out into even more wine regions in the upcoming years. For the time being, we offer an array of wonderfully delicious wines that are some of the greatest we have ever tasted. We invite you to experience our wines and we are sure you will be happy with every bottle of wine you receive from us.

## // UNIQUE RAILROAD

The Alpine & Western Pacific Railroad is the longest garden railroad in Northern Nevada, and it is centered right in the middle of Arrowcreek! This railroad empire has over 1,000 feet of track, 10 tunnels, 5 bridges, lakes, waterfalls... The train even goes through the house!

At night this engineering marvel lights up the entire landscape with a beautiful glow that will make any homeowner envious. From the platforms to the individual whitepods, this garden railroad never misses a single detail and will surely bring joy to all for many years to come!

## // ABOUT WATER & RAILS

The Water and Rails organization is a non-profit fundraising arm that helps raise money for other charitable organizations, such as ALS Chapter of Nevada and the Northern Nevada Food Bank. Throughout the year board members host events in Northern Nevada in order to raise donation money. Our two primary events are Water and Rails Pond and Garden tour which is June 17-18 and the Franktown Meadows Hunter Derby which is June 24-25.

Since its inception, Water and Rails has managed to raise over \$450,000 in donations and is continuing to grow every year. For more information on either event visit [WaterAndRails.org](http://WaterAndRails.org) or [FMHunterDerby.com](http://FMHunterDerby.com).

## // ABOUT SEVEN TROUGHS

Our vision at 7 Troughs is to produce our brands from locally made products. Three

primary spirit products will be offered: Aged Rum, Signature Whiskey, and Vodka. Each spirit will be created from only the highest quality materials. Our corn and barley will come from Yerington and Lovelock, Nevada. Our raw whiskey will mature with oak barrel aging. Our raw vodka will return to the stills for refinement. After a complex filtration process, the vodka will result in an ultra pure and versatile spirit with the pleasant softness that only pot-stilled vodkas possess. The rum will spend only a short time in used cooperage. Aged long enough to just round out and smooth the edges while preserving the character and fruity flavors unique to pot still spirits.
