Dining at The Club:

For dining reservations you must RSVP on ForeTees or call 775-850-4471.

Please ensure your kids are seated with you at all times. This ensures their safety and that all Members have a great dining experience.

Weekly dining specials and/or events change. Please see the current calendar.

October Clubhouse Dining & To Go Orders

Sun & Tues: 7:00a-8:00p

Wed-Sat: 7:00a-9:00p

Pool Deck Dining:

Mon 11:00a-6:00p

Tu-Sun 11:00a-8:00p

Grab & Go Window:

M-Sun 7:00a-6:00p

Important Club Announcements

Dear Members –

Fall is upon us with cooler mornings and shorter days. With the change of seasons, we will begin the process of transitioning our summer operations at the Pool. Beginning Monday, October 5, we will no longer heat the Family Pool. We will continue heating the Adult Pool until October 12. All deck chairs will continue to be available for sun bathing until weather no longer allows. For the week of October 5 – 12, children will be allowed to swim in the west end of the Adult pool.

In addition to the Clubhouse remodel and construction, there are several smaller projects underway. You may have noticed poles being installed along the driving range adjacent to the Pool building. As a safety measure, we had to install netting to avoid swimmers and those enjoying the pool deck being struck by golf balls from the range. As a reminder, range balls are to remain on the range. We have noticed an abundance of range balls finding their way to the golf course and being utilized for regular play. As a result, we will transition to a colored range ball next spring.

Wind screen installation for the pool deck dining areas will be completed by Tuesday, October 7. We anticipate this will allow for extended outdoor dining opportunities. We appreciate your understanding and patience with the augmented projects underway.

The golf course irrigation project commenced on September 30 and will continue through the end of the year. This will involve raising heads, repairing and replacing drainage, installing valves, and upgrading all of our communication (satellite) boxes. Work will not impede your ability to play, although you will notice the “crew” working 1 or 2 holes at a time.

The Clubhouse construction continues to make great progress. In the coming weeks, you will begin to notice “vertical” construction beginning for the Event Center and new kitchen. In addition, grading and infrastructure will begin for the fitness center. This will require adjusting access to the golf shop. On Monday, October 19, both entries will be in the “construction zone” and therefore not accessible. Members and guests will need to utilize the admin or front door entry to access the backyard via the pathway between Redfield’s and the locker rooms.

The Clubhouse is currently operating electricity with a generator, propane for gas, and utilizing a satellite for our internet and phone systems. This was necessary to do as all of our utilities needed to be relocated to demo the old building. We anticipate “going back to normal” with our phone and internet by month’s end. In the meantime, we have 3 phone lines (775-850-4653) Golf Shop, (775-851-0414) – Clubhouse, and (775-851-0524) – Pool Host.

As 2020 seems to be the year of disruptions – we are grateful and thankful to all of you for the utilization of the Club in spite of distractions such as smoky air, limited parking, COVID requirements, neighborhood fire, etc. We are pleased you have allowed us to serve as your home away from home and look forward to seeing you on your next visit to The Club.

Garry D. Cramer, General Manager

Greetings from your friendly, neighborhood Membership Director...

If you haven't heard the BUZZ around town - The Club at ArrowCreek and its Members are the best in town. Thank you for Being A Member!

We are looking forward to sharing with everyone additional information related to the reciprocal network available with our new management company, Troon. There are quite a few Global Golf Benefits available from Troon that we hope will be beneficial for Members who travel frequently or for our Member families planning an upcoming vacation. We are also excited at the possibility of future Member-Golf trips albeit when it is ultimately safe to do so as a group. As the saying goes – all things in due time... I suppose the wait will surely make the reward that much better! I am always available to assist you to better navigate the Troon reciprocal benefits. If you have already utilized the reciprocal benefit – please feel free to send us any testimonials that will assist other Members make an informed decision on where they choose to play and ultimately travel.

See you all at The Club soon!

Walsh Trujillo, Membership Director

Course Update

Let them Drain

This fall aeration on greens we introduced a new machine to allow us to deep tine aerate the greens. The greens have a hard pan layer around 7 or so inches below the grass surface. This causes a lot of health issues for the greens because the irrigation water simply will not drain away, and this leaves a wet an anaerobic greens rootzone (and believe me that does not smell too pleasant)!

When the rootzone can freely drain the excess water away from the roots of the grass plant, it can then be replace with oxygen. A good supply of oxygen for the roots in our greens helps the grasses to be stronger and healthier, and also utilize water and fertility more efficiently, and also more stress tolerant.

The new deep tine aerator has 3/4" thick, 10" long solid tines attached. When we operate this new attachment on our greens it punches hundreds of deep holes per green. The holes are then filled with topdressing sand. Check out our Facebook or IG pages for a cool slow-mo video!

Along with having excess water drain through the rootzone profile, it has to drain away from the green itself and away through drainage pipe. Sounds simple, right? Well what happens when that drainage pipe is not freely flowing water away from the green complex? Superintendent Daniel Palin found a few greens not running water away very freely at all, and set to unblocking the pipes. Old tree roots are usually a safe bet to be the culprit for blocked drains, and this time was no exception.

After clearing an anaconda sized root ball out of the drain, the floodgates were opened. See photos below:

Aeration of each course was executed on schedule, and we will endeavor to reduce the healing/recovery time to a minimum and get the greens back up to normal speed again. Sand takes a little time to work down into the greens and the seed to germinate and grow to maturity. All these programs we have just undertaken are for the long-term health of the greens and other playing surfaces. We appreciate your patience and understanding of these vital processes. Look for the upcoming practice area scheduled maintenance and aerification for the range, putting areas and chipping green in golf shop section.

See you on the golf course.

Rob Williams, Director of Agronomy

From the Golf Shop

Just a reminder that the dress code on the golf course also pertains to the driving range and practice areas. Basically, no denim or workout clothes and shirts must have a collar.

We recently had Callaway, Taylormade and PXG here at The Club doing demos and fittings. Just a reminder that our golf staff here at ArrowCreek can also do fittings for Callaway, Taylormade and Mizuno in our Performance Center. Just give us a call!

We have been having an issue with finding range balls on the golf course. Please, be aware that range balls are only for use on the range and should never be taken to be played with. Anyone found using range balls on the golf course could be subject to a suspension for a specified period of time.

Due to liability issues, only Members that are a minimum of 16 years of age and have a valid driver's license may drive a golf cart. We see many under age children driving golf carts. Even if an adult is present in the cart, a child under 16 without a driver's license cannot drive a cart. We appreciate your cooperation with this policy.

Main practice green & chipping green will be closed 10/12 for aerification. The second practice green will be closed on 10/19. Thank you for your understanding during this necessary maintenance work.

UPCOMING CLUB TOURNAMENTS OR CLINICS

Don't forget to sign up for our 'Sweet n Sour' club wide golf tournament on Saturday, October 24th. It's a two person best ball net tournament and includes prizes and lunch! Men's, Ladies and Mixed Divisions. Sign up on ForeTees before October 22nd.

Mon-Sunday: 8:00a

Range Facility Hours:

Open 7:30a

Closed 5:00p

Last Tee Time:

Mon-Sun 4:30p

Carts Returned by 6:00p

Paul Nolen, PGA, Director of Golf

Jim Nodurft, PGA, Head Professional

Hole In One

Golf is the closest game to the game we call life. You get bad breaks from good shots; you get good breaks from bad shots—but you have to play the ball where it lies. - Bobby Jones

Lucky for these guys, they got a pretty good lie! Congratulations to all of Members, including the ones not showcased below.

From the Food & Beverage Team

Summer of 2020 was an unforgettable experience for the F&B team. The new pool and COVID combination definitely made its mark this year. Thank you all for your feedback and support of the pool, dining & cabanas. We will continue with training and improving the service as this is a ongoing task. JT, our F&B Supervisor, and Erick, our Service Director, will be dedicated to fine-tuning our Associate's serving skills.

We begin the fall season with our new tableware and hope you enjoy eating on a pretty plate instead of the disposable ones. The bar seating is now available. Please feel free to make a reservation to visit our bars and let the bartender enjoy your company. Every team member really missed your interactions. This is also the time to see the bartender in action making our Daily Specialty Cocktail. Speaking of the cocktail specials, I hope you all are receiving the daily "Spirits and Specials" information in your email. We have fun and interesting cocktails and food items inspired by our team members. It's an inside look into their creativity and enthusiasm for their craft.

October is full of fun events to attend. Our Classic Bingo and Trivia Nights are a continued success. Don't forget about our weekly Redfields dining or To Go specials too! Thank you for your continued support and attendance. We will see you around the Club!

MMMMmmm delicious weekly specials available Curbside To Go or to dine in Redfields. Fan Favorites such as Prime Rib stick around, with the addition of finger licking foods such as BBQ Night or our ever popular Take N Bake Chicken Pot Pies. Grab one for now and one for the freezer! To place your orders call us at 775-851-0414.

Kevin Cloutier, Executive Chef

Virtual Book Club on Zoom has been a huge hit the past few months. To ensure we can allow as many people to participate as possible, we will continue with a virtual October event as well. There is still time to pick up this month's read, 'We Were The Lucky Ones' by Georgia Hunter, and join us for the discussion on Oct 14th. Hope to virtually see you there!

Matt Reardon & Buddy Elmer debut at ArrowCreek. Limited spots remain to join us on the pool deck for a la carte dining and live music from some Club favorites. Be sure to log onto ForeTees today to RSVP! Join us on October 20th as well when Milton Merlos, flamenco guitarist, is our headliner.

A vibrant event poster with a light blue background. At the top, it says "THE CLUB AT ARROWCREEK PRESENTS" in purple. Below that, "TUESDAY NIGHT LIVE" is written in large, white, stylized letters, followed by "ON THE POOL DECK" in smaller purple letters. The poster is decorated with several musical notes in purple and pink. A pink circle contains the text "RSVP Today! 10/6". A larger pink circle contains the time "5:30-7:30P". At the bottom left, there is a photo of a man playing an acoustic guitar. To the right of the photo, it says "FEATURING: Matt Reardon & Buddy Elmer Entertainment are a two piece duo. Music from all genres with a background in Blues and Rock." There are also several solid pink circles of various sizes scattered across the design.

Logo Launch Week

Kicking off October 15, we will reveal the most anticipated Club renovation thus far...
our NEW CLUB LOGO!

Aquatics & Fitness

Be on the lookout for a schedule of group fitness classes. A variety of class formats will be offered, taking place out on the Pavilion (or where space and weather allow!). The classes will be low-impact, such as Mat Pilates, Yoga, and Functional Fitness. All levels are welcome to attend the group fitness classes. Pricing will be available soon.

Mat Pilates

Mat Pilates focuses on strength, posture, stability, proper breath control, and flexibility. Each class will work to balance all muscle groups' strength and flexibility with an emphasis on challenging the core muscles in each movement. This class is suitable for all levels. Modifications to exercises will be offered as needed.

Gentle Yoga

Create a mind/body connection with yoga. This class will focus on breathing, flexibility, alignment, and relaxation. This gentle class is appropriate for the beginner, or for those who appreciate a yoga class that moves at a slower pace.

PiYo

PiYo combines Pilates, Yoga, and strength training into one class. This workout is low impact and will focus on increasing core strength, flexibility, and balance. All levels are welcome!

Barre Fusion

Barre Fusion contains exercises that derive from ballet moves! In addition, pilates and yoga exercises are fused into the workout for a well-rounded strength, balance, and flexibility focused experience. This class is suitable for all levels and ballet experience is not required.

Functional Fitness

Functional fitness utilizes exercises that train your muscles to work together and prepare them for daily tasks at home, work, or in sports, such as golf! Many of the exercises use the upper and lower body muscles in conjunction, which will help to increase core stability. In addition, movements are performed to simulate commonly used movements in daily life, for injury prevention. All levels are welcome.

Walking Club

The walking club is a great way to stay in cardiovascular shape, with motivation from peers! We will perform a basic warm-up sequence, walk the course, perform exercises on-the-go, and stretch at the end. If you would like to bring your own cross country ski poles for an upper body boost, please do so!

Victoria Keogan, Aquatics Director

Party Planning During COVID

Six months into the Coronavirus shutdown and many industries are still trying to recover, especially the special event industry. Here's some tips on how you can safely host/plan a get-together in the midst of a pandemic.

- Keep it small; restrict the number of guests you are inviting to ensure you are limiting your exposure. Some people have different families or friends that they see on a regular basis, better known as their 'Quaran-teams'.
- Host outside, when weather permits! Outside in the open air has been proven to be a safer environment than indoors.
- If you are serving food and beverages, ensure there are no high touch points such as shared tongs or drink dispenser nozzles. Individual servings are your best option!
- Get creative with your event layouts. Formal sit down tables of 8-10 guests are still a no-go, so look into some tall cocktails, less formal lounge seating, and smaller table gatherings.
- Signage is critical, with plentiful signage to encourage social distancing and effective ways to utilize PPE. Check out what the Club does with our color coded wrist bracelets, hand sanitizer station, temp check and more in the photo below.

Not everyone is going to be comfortable with events right away, and that's okay! Recent restrictions have been lifted to allow for larger gatherings. That doesn't mean you need to jump on board, but if you do, do it safely using the guidelines above. As we approach fall and winter, outdoor events will become more limited so maybe start planning for next Spring or Summer instead. We cannot wait to share our new event spaces with our Membership and the local community.

Cassie Pete & Samantha Olson, Event Sales

Do You Know...?

With the Club growing at such a high rate, our staff has had to grow with us! Ever wonder about who is cutting the grass, preparing your food or making sure your golf bag is ready to go? Join us each month as we spotlight staff members who has gone above and beyond at their job ensuring that operations run smoothly for you to enjoy the Club!

Golf Department - Paul Nolen

Position - Director of Golf

Paul is originally from western Colorado (Glenwood Springs & Grand Junction), but has spent most of his career in Tucson, AZ. His career spans the country, starting out in Rancho Mirage, CA at Mission Hills Country Club, then making his way to Savannah, GA at The Landings Club. He came back out west in 1995 and spent 23 years in Tucson, AZ, eighteen of that at The Gallery Golf Club where they hosted the 2007 & 2008 Accenture Match Play Championships among many other major amateur, collegiate and professional events.

Paul is a graduate of the University of Arizona where he played on the men's golf team for four years. While there, he won two tournaments including the 1984 Pac-10 Individual Championship. He was All Conference his sophomore year and Honorable Mention All American his senior year.

He was humbled in 2016 when the Arizona Golf Hall of Fame honored him with the Johnny Bulla Award which is "in recognition of an individual who has demonstrated a lifelong professional playing career in Arizona."

Paul and, his much better half, Robin, are looking forward to meeting many new people and enjoying the outdoors in the Reno area.

Golf Maintenance - Foster Kenton

Position - Irrigation Technician

Family – Girlfriend, one son, one daughter, 2 dogs and a turtle

Previous Employment – Walker Lake Golf Course

Describe The Club at ArrowCreek in 10 words or less – A beautiful place to spend free time.

What's your favorite hole at The Club at ArrowCreek? - 9 Legend

Favorite all-time sportsman/ sportswoman? – Jim Thorpe

Favorite Sports Team? – Los Angeles Dodgers

What is your all-time favorite movie? – The Sandlot

Dream vacation destination? – Anywhere I can fish and golf in the same day.

Our golf events, tee times, aquatics classes, dining reservations, and event info can be utilized using ForeTees. This technology is available via desktop or an App you can download to your smart phone or tablet. You can also view our newsletters, calendar of upcoming events, daily dining specials, receive Club notifications, and can contact staff directly utilizing the App. If you prefer to call the Club directly for tee times or reservations—that process has remained in place. If you need help getting set up, just ask!
